## Time Saving features for Clubs & Leagues

- Send instant notifications to all your members or selected groups (ex. coaches only, teams that play at a specific field, by age group, or search by team name) from your desktop or mobile device.
- Import your training or games schedule for all your teams to use. It's a life saver for coaches!
- Check team documents for event registrations, such as tournaments, online. Avoid the hassle of organizing check-in nights.
- Do you hire trainers?  
Print reports on their activity and know exactly how many hours they spent on each of your teams.
- We'll help you setup your teams, schedule and provide consulting on how to automate the process and save you time.
